

EVENTS

Indofest 2017 in Ottawa – Indonesia

In September, the Embassy of the Republic of Indonesia in Ottawa, Canada, invited Redpath to participate in a round table discussion with a focus on Indonesian Economic Diplomacy. The discussion was attended by Indonesian diplomats, Trade Attaché, Indonesian Trade and Promotion Offices in the Central and North America region, the Bank of Indonesia, the Indonesian Investment Coordinating Board, and representatives from the Ministry of Foreign Affairs. Redpath was proudly represented by Senior Engineer, Ivan Agustian, who shared Redpath’s practical experience in doing business in Indonesia; addressing areas for improvement and contributing to the efforts to create a friendly business environment for foreign investment.

Senior Engineer, Ivan Agustian (R) represented Redpath at the round table discussion.

Mrs. Suwartini Wirta, Charge D’Affaires of the Embassy of the Republic of Indonesia in Ottawa, opening the Indonesia Business Forum 2017.

Ivan (R) shared Redpath’s experience with doing business in Indonesia during the Indonesia Business Forum 2017 panel discussion.

The speakers posing together after the panel discussion. Left to Right: Mr. Rahardjo S, Erwin Haryono, Nancy Bernard, Zaki Munshi, Jean-Marc Hunt, Ivan Agustian.

As part of Indonesia’s Independence Day series of events, The Embassy of the Republic of Indonesia in Ottawa, also held a 3-day event, “Indonesia in Ottawa: Indonesian Festival (Indofest) 2017.” Redpath was proud to be one of the sponsors for this event; which showcased business forums cultural performances, product exhibitions, tourism information, and authentic culinary experiences. The event kicked off with the Indonesia Business Forum panel discussion with a focus on Exploring Business Opportunities in Indonesia. In one of the panel discussions chaired by Nancy Bernard (International Trade and Development Office of Canada,) Ivan Agustian, shared Redpath’s 30 plus years of experience and insight into doing business in Indonesia.

Fire Extinguisher Training at Pogo Mine – United States

The crews at Pogo conducted an engaging, hands-on training session to educate workers on the use of handheld fire extinguishers. Monitored by members of Sumitomo Mining’s Emergency Response personnel, the Redpath workers had the opportunity to use a fire extinguisher on a controlled fire at the project.

Redpath Participates in Barrick's Annual Pink Days – United States

Some of the Redpath crew at Golden Sunlight Mine in Montana are pictured wearing pink Redpath helmet bands, participating in Barrick's annual "Pink Days" in support of breast cancer research. For every employee wearing pink on October 10th and 26th, Barrick made a monetary donation to St. James Cancer Center in Butte, MT.
