### Redpath Australia Lands Milestone Raiseboring Contract Largest single raiseboring contract in the company's 59-year history.

**North Bay, Ontario, Canada, May 19, 2021:** Redpath Australia is excited to announce the award of a significant surface raisebore contract in New South Wales, in southeastern Australia.

The contract scope involves three Redbore rigs; Redbore 100, Redbore 90EX and Redbore 90. All three rigs are designed and manufactured in North Bay, Canada, and are contracted for eight holes, totalling 5.3 km.

Redpath Australia was selected for this contract for its safety record and high performance standards.

“The award of this contract marks a significant milestone for Redpath Australia and Redpath globally as this is our largest single raiseboring contract to date. We are very excited to be assisting our client, providing them with the safe execution of their ventilation systems”, said Gavin Ramage, Managing Director of Redpath Australia.

Work will commence onsite in June 2021, with recruitment to begin shortly.
